3

## MAY INCLUDE VALUE-ADDED BENEFITS SUCH AS:

Funeral cover

Emergency services

Counselling

Medical advice

GP visits

Dentists' visits

Hospital treatment

Medication

Optometry

## 2 DAY-TO-DAY BENEFITS YOU NEED

You'll have access to medical treatment for everyday ailments with benefits such as:

2

## 4 AFFORDABLE PRICE

You don't have to pay thousands for medical aid. Fees are set to what the average South African can afford.

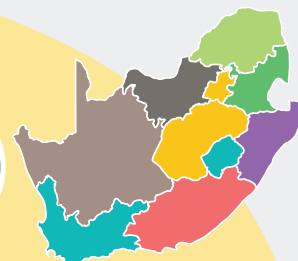

5

## 5 ONE PREMIUM FOR THE WHOLE FAMILY

Your monthly payments stay fixed and includes cover for your spouse and unlimited children.

6

## 6 HEALTHCARE PROVIDERS NATIONWIDE

You have access to any healthcare provider in the network of doctors across the whole of South Africa.

9

## 9 PEACE OF MIND

Now you can rest easy knowing that you have access to a GP whenever you're sick without having to pay upfront doctors' fees.

8

## 8 CAN BE USED AS GAP COVER

If you already have medical aid, you can fall back on your health insurance if your medical aid savings run out or there are specific events that your medical aid doesn't cover.

## 7 NO LONG QUEUES

You don't have to wait in long queues for treatment like at public healthcare facilities which also saves you time.
